

Our Wine Mojo

We are a lighthearted restaurant with a serious love of great grape juice. We love the little guys and hidden gems. Our focus is on high-quality, small producers that make wine with love, care and intention. Our wine list is a living document and constantly evolves so we can bring you the bottles we are most excited about. We love to offer up the aha moment of great food with great wine and are always here to help guide our guests to a great bottle.

Champagne

Our fine bubbles are focused on grower champagnes. Which means that the people that grow the fruit, are the people that make the wine in contrast to those that purchase fruit from another estate. We feel this adds a layer of love that is obvious in the resulting wines.
